Present: Wendy Clark, Wendy Durand, Doris May, Trisha Takvam, Rhonda Walker, Jack Phillips

Theater Update – To date \$200,000+ has been received. There are 27 seats left to sell. The budget for the project is \$254,000. Everything to this point is in line with the budget. Total cost of the project will be approx. \$285,000. The existing theater will be getting torn out after Wed., June 06 when the last assembly of the year will take place. The seats, lighting and curtains will be the last items to go in. Aiming for everything to be completed by the beginning of the school year in September of this year. There will be a grand opening around the end of Sept. The fundraising for the project has gone very well. Most of the grant money is in – still applying for more.

Gr. 8's will be involved in the Pan Canadian Assessment Program on Tues., May 14. Amanda Rheault's class has been picked to write this. The focus is on science but there is also some ELA and math. This gives a reference of where Manitoba is compared to other provinces. An international comparison is also done. There are no names of students put on the papers.

May 24 Hershey Track Meet will take place at Carman Collegiate. Last year approx. 900 athletes attended. There were approx. 1500 people on the premises. This year won't be as big because last year was also a qualifier for the MB Summer Games. Officials will be attending from Hershey, PA to see how the meet is run. Olympic hurdler Perdita Felicien will also be in attendance. Jack is looking for volunteers to help with parking, etc. for this event.

June So Soon – tentative date has been set. Students will be once again going to Colert Beach in Morden.

June 17-21 – Activity days for the grade 7's will take place at Winkler Bible camp.

Band Trip has been extended for one day after a petition was submitted from the senior band. They will now be gone from Monday to Friday, May 20-24.

Next Meeting – Monday, June 10 at 5pm.
